Biography

Hello World! First, all I introduce myself self so my name is Dharmesh Rathod I am a 19 year old and I recently persuing my B.Tech in computer engineering at Charotar university. yah! computer engineering is the most trending branch of engineering now a day.

I complete my first year of college life with memorable experiences like a conginzance is a techfest of our univercity,spoura-19 is a sport and culture week, vrund -the best navrati

i am interested in ui/ux design also working with react native, flutter etc freamework also cloud computing I am done practitioner course in AWS

Manali Tourism

Nestled in between the snow-capped slopes of the Pir Panjal and the Dhauladhar ranges, Manali is one of the most popular hill stations in the country. With jaw-dropping views, lush green forests, sprawling meadows carpeted with flowers, gushing blue streams, a perpetual fairy-tale like mist lingering in the air, and a persistent fragrance of pines and freshness - Manali has been blessed with extraordinary scenic beauty. From museums to temples, from quaint little hippie villages to bustling upscale streets, river adventures to trekking trails, Manali has every reason to be the tourist magnet it is, all year round.

Clean roads, swaying eucalyptus trees, endearing little eateries, small kitschy local market places, and cafes which serve delicious local food at unbelievable prices, Old Manali is a serene, tranquil place, whose lingering silence is broken only by the twittering of the birds and the sound of the roaring waters of the Kullu river.

Solang Valley is the of the most visited places in Manali, with the drive up to Solang being as picturesque as the valley itself. Not only does Solang Valley offer some breathtaking views of the surrounding landscape, but its slopes are also a very popular skiing destination, especially during the winters. In summers, the place turns into a paragliding haven. If you're an adventure enthusiast, Solang Valley has adrenaline-pumping activities such as zorbing and horse-riding available.

With more than 25 lakh visitors every year, Rohtang Pass easily stands out as one of the most popular scenic spots to visit in Manali. Connecting the Lahaul and Kullu valleys, the Rohtang Pass is famous among nature lovers, photographers and adventure seekers alike. Mountain biking or skiing whilst surrounded by the awe-inspiring glaciers and snow-capped peaks on all sides is an exhilarating experience.

Manali is also home to a tiny slice of history, in the form of the Naggar castle. Located among the breathtaking forests in Naggar town, the Naggar Castle is a stunning historical edifice. Once used as the residence of Raja Sidh Singh of Kullu, the castle is a fine blend of traditional Himalayan and European architecture. With majestic fireplaces, beautifully built staircases, and meticulous wood and stone works, the Naggar Castle is a must-visit when you're in Manali

Manali tour package	Number of days	prize

IRON MAN

Iron man

A billionaire industrialist and genius inventor, Tony Stark (Robert Downey Jr.), is conducting weapons tests overseas, but terrorists kidnap him to force him to build a devastating weapon. Instead, he builds an armored suit and upends his captors. Returning to America, Stark refines the suit and uses it to combat crime and terrorism.
